It's That Time Again!

It seems that we are having a few cool days and then a few warm days . . . the Weather Man is making up his mind . . . but, really and truly, it is "that time of the year again" . . . the time of the year for you to bustle about and get a Spring Clean-up and Improvement Project going. Maybe you have been thinking all winter long about what you would like to get done, once another spring rolled around. No doubt you thought up all sorts of wonderful plans to improve your property and premises. And maybe you even managed to set aside a little of the "long green" so that you could do it on your own "pay as you go plan" . . . or else you got your good credit name in shape, so you could finance those ambitious plans. Or, maybe . . . perish the thought . . . you haven't given the matter a single thought, and spring has arrived and caught you without anything in mind at all as to improvement.

But whichever way it is . . . "that time of year" is here, and so we want to bring you this message: LET APPOMATTOX BUSISNESSMEN SERVE YOU!

We are proud, very proud indeed, of the variety of services available in Appomattox. We might not be the largest town in size, but we are "big" when it comes to service and commodities. We will go out on a limb and boast that a visit to Appomattox will save you time and money and enable you to secure just the service and item you had in mind. That goes all the way from banking service, building materials and supplies, automotive dealers and car service, hardware merchants, furniture, appliances, utilities, markets for timber and pay-roll opportunities.

Civic pride is a wonderful thing. We hope you will want your property to look the best. But on top of that, it is just plain common sense to keep your property and premises in good repair, modernized and in tip-top shape. It is to your interest, as well as that of the community, to not let this spring pass by without a real clean-up and improvement effort. So, grab the hammer or rake folks . . . and if you don't have one, or need anything else, get it in Appomattox!

YOU DO MORE THAN IMPROVE YOUR OWN PROPERTY WHEN YOU PAINT, REPAIR, MODERNIZE AND CLEAN-UP . . . YOU IMPROVE THE ENTIRE COMMUNITY!

News Around Town

By Mrs. Calvin Robinson

I liked this one:

A woman in a small Ohio town was gossiping with her friend on the party-line telephone. The usual clicks were heard as other listeners picked up their phones.

Suddenly, in the middle of the conversation, there came an unmistakable sound of a receiver being banged down on its hook.

"Well, I like that!" said the first caller with indignation. "Somebody hung up on us!" —American Medical Journal.

THERE'S A DIFFERENCE

Washington, D. C.- When the Congressional Record stated the other day that Representative Yates (D., Ill.) was not on hand for a vote, because he was "homesick," the Congressman had the record changed immediately. Yates said it should have read: "Home sick." In other words, he was ill at home—a slight difference from homesick.

Some genius can make a fortune if he will contrive a woman's purse with a zipper at the bottom. That's where they always find something. —Quotset Scout.
